How Do I Rent A Canoe?

Call **1-616-273-9000** to make reservations. We will meet you where you want to get out. There we pick you up in our van, take you up the river of your choice, and put you in.

From there, you have a pleasant cruise down to where your vehicles are waiting for you. You pull the canoes up on shore and leave the gear there. Then you go on your way.

We return to pick up the gear, so there is no hassle for you.

Three Rivers Canoe Rental is open 12 months a year because the rivers in Southern Michigan rarely freeze solid. Winter Cruising on the right river is beautiful and safe.

HAPPY PADDLERS ARE OUR BEST ASSET!

St. Joseph County has the distinction of having more river miles than any other county in Michigan - 7 rivers, a dozen small feeder creeks, and over 50 lakes. So let Three Rivers Canoe Rental help you paddle every one of these excellent waterways.

Three Rivers Canoe Rental is located off of Main St. in Conservation Park, behind the Marina and over the tracks just south of the traffic light, and the Downtown Business District in Three Rivers. It is on the west side of South Main St. between the railroad tracks and the St. Joseph River. Look for the signs.
